| <b>President's Message</b>                | Many members enrich their Service League experience by participating in one of our interest sections and, in fact, some members participate in several different sections. I want to encourage everyone -- especially our newer members and those who don't now participate -- to review the Newsletter entries each month for activities of interest. While each of the sections has a core group of regular members, visitors are always welcome, and a visit may well activate an interest and join the visitor with a congenial gathering of friends.                                                                                                                                                                                                                                                                                                                      |

| <b>St. Martin de Porres House of Hope</b> | <i>SL Rep: Barbara Fitzpatrick, 773-288-8668, bfitzpatrick@2200.com</i> St. Martin de Porres House of Hope provides housing and a supportive framework for recovery from addiction for women and their children. Following our successful Shoebox donations of toiletries in December, Sister Therese particularly asks for our help to collect cleaning supplies for the women of St. Martin -- tough, grease-cutting dishwashing soap and powdered laundry detergent in particular. Larger boxes are fine; the staff at St. Martin can repackage the supplies for individual use. The cleaning supplies make a large difference in the women's ability to take charge of their own housekeeping and develop their sense of self-respect. Please contact the Service League's liaison, Barbara Fitzpatrick, to arrange for in-kind donations to support St. Martin's program. |
